

A critical part of the Performance Coaching Model is including all pertinent stakeholders in generating ideas of **HOW** to achieve the desired goal.

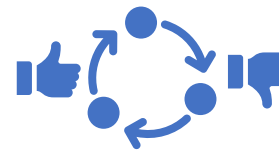

Multiple Questions,
Multiple Groups

If employees are included in this process, it increases their ownership and buy-in and are much more likely to be an active participant in success.

Multiple Questions,
Multiple Groups

Participants will learn by experiencing 6 different idea generating techniques during the course. At the end, they will be provided with tips on which technique to use for different scenarios and facilitation tips.

Round Robin Voting
